MORE ABOUT MT13:

Ex-England International Matt Taylor has been running camps with MT13 since 2008, providing players from all abilities with the opportunity to focus on their skills and techniques. MT13 prides itself on delivering quality coaching in a friendly, fun environment.

"We are fortunate to call upon coaches of an international playing or coaching background to ensure our delivery is of the highest level - combined with coaching groups of no more than 8 players per coach ensures every attendee leaves the camp a better hockey player than when they arrived."

MATTHEW TAYLOR, DIRECTOR, MT 13

I had lots of fun, made friends and improved my hockey skills!

HANNAH, 12, NOTTINGHAM HIGH SCHOOL FOR GIRLS

"Dominic loved the hockey camp and it also gave him a taste of the residential experience too."

SUSAN MOYLE, GRANTHAM, LINCOLNSHIRE

"My time at Worksop College taught me valuable lessons that resonate with me to this day, both on and off the hockey field; work hard, persevere and make strong lasting friendships".
