NOTES

NOTE 1: EXTRA PROMOTION/RELEGATION

- a Where Teams are promoted to or relegated from higher Divisions then any gaps will be filled or surpluses removed by additional promotion or relegation in the affected Division.
- b Final details may not be known until after any play offs at National or Regional level but Clubs will be kept informed through regular updates on the YHA website of potential additional promotion and relegation.

NOTE 2: CODE OF PITCHSIDE CONDUCT

- a It is the responsibility of all clubs to ensure that good manner and courtesy prevails towards the opposition, umpires and other officials before, during and after the game.
- b Once the pitch is available, the Home Captain shall assume authority for the pitch and its surrounding area.
- c Clubs are advised to ensure that they have adequate insurance cover and that they are aware of local health and safety regulations regarding the pitch and facilities.

Captains should:

- a Agree with the umpires the location of managers, coaches, substitutes and suspended players during their suspension and from where substitutions will take place. Teams are allowed a maximum of twenty people. This includes sixteen players per game, a manager, coach, physio plus a medically qualified doctor. Team Captains must let the umpires know of which, if any, team officials they have on the bench.
- b Satisfy themselves and the umpires as to the quality and safety of the pitch and its facilities and ensure that other pitch side furniture is removed to its safest location.
- c Check the availability and location of an emergency telephone and first aid.
- d Agree the location and allowed proximity of spectators.
- e Ensure that substitutes should warm up in clothing in a colour other than the participating teams in the agreed area of the pitch side.
- f Ensure that coaches and managers remain in their designated area.
- g Ensure that vocal communication by team officials and players on the bench is not, in any way, directed at the umpires or players of the opposing team. **Failure to do so could result penalties (such as points deduction, fines) being imposed on the club, its officials or the players concerned.**
- h Ensure that players not taking part in the game, or those in subsequent or previous matches, do not knock up or cool down on or near the pitch whilst the match is in progress.
- i Ensure that post match inquests are held away from the pitch.
- j Spectators should be advised, if necessary, of matters relating to their conduct, especially insofar as this affects the game in progress. Spectators should be kept away from the bench areas at all times and, where possible, should watch from the opposite side of the pitch. The onus is on the home club to take responsibility for spectators and their behaviour. **Failure to do so could result penalties (such as points deduction, fines) being imposed on the club, its officials or the players concerned.**
- k Ensure that small children are not allowed to wander freely around the perimeter of the pitch whilst a game is in progress. Children should remain under the control of their parent/guardian at all times.
- l Ensure that babies in push chairs are not left parked on the side of the pitch.
- m Captains, coaches and managers should be responsible for their own conduct and the conduct of their players at all times. **Failure to do so could result penalties (such as points deduction, fines or player suspensions) being imposed on the club, its officials or the players concerned.**

NOTE 3: LEAGUE OFFICERS' CONTACT DETAILS

- a League Officers' contact details can be found in the YHA Handbook and are downloadable with Match Report Forms from www.yorkshireha.org.uk.

YORKSHIRE HOCKEY ASSOCIATION LEAGUE RULES 2017-2018

- b Any changes to League Officers' contact details will be notified to all Club Secretaries and Fixture Secretaries by email and updated on the YHA Website Match Result Form download.

NOTE 4: CHANGE OF STRIP

- a In the event of a colour clash the away team is expected to change and use their alternative colour shirts and socks.
- b Confirmation of colours must be made when the match is confirmed to ensure that no colour clash occurs.
- c The home team should notify team colours for both Home and Away Teams to Neutral Umpires (if appointed) when confirming match details with the Neutral Umpires.
- d Please ensure that any change of strip you use does not contain colours that may clash with your opponent's colours. Trends in shirt design in particular has led to manufacturers (and Clubs) using part of their first choice colours in their change strip. For example: usual kit red shirt with broad white stripe down the side: Change strip: white with broad red stripe down side. (This has occurred and it was obvious that the combination of red and white in both team's shirts meant that the colours still clashed.)
- e Clubs are urged to use a single-colour change strip rather than a mixture that includes part of their usual colours.
- f In the event of a colour clash the away team is expected to change. Teams that fail to observe this requirement or use an away strip with colours that still clash may be penalised £15. Captains of individual teams are urged to check their opponents club colours prior to matches.

NOTE 5: APPOINTED (NEUTRAL) UMPIRES

- a Notification of appointment of Neutral Umpires is now done through the YHUA Website and will no longer be done by email. Go to www.northhua.org then select Yorkshire Hockey Umpires Association from the LINKS menu, the RESULTS/FIXTURES/APPOINTMENTS then make a selection from the FIXTURES & APPOINTMENTS MENU (Note: to see North Div 2 East & Yorkshire Premier Div appointments only use the AREAS TO BE INCLUDED option and select MATCHES APPOINTED BY YORKSHIRE HOCKEY UMPIRING ASSOCIATION ONLY.)
- b Clubs must check the YHUA Website to find out who their appointed umpires are. Contact details for umpires can also be obtained the YHUA Website. For YHUA Umpire Contact Details go to THE ASSOCIATION option and select CONTACT LISTS.
- c Clubs in the Yorkshire Men's Premier Division are expected to register with the YHUA Website to update match date, start time and event information. Failure to keep match information up to date will lead to withdrawal of appointed umpires for matches concerned.
- d Yorkshire Men's League Premier Division clubs will still need to keep match information accurate and up to date on the YHA Website. There is no link between match information on the YHA Website and YHUA Website.

NOTE 6: COMMUNICATION

- a No communication on League business shall take place with any of the League Officials after 22.00 and must be by text or email unless specifically agreed to by the relevant Official prior to that need.

NOTE 7: GUIDELINES THAT CAN BE ADOPTED BY TEAMS IN THE BOTTOM OF THE MEN'S LEAGUE TO HELP WITH PLAYER SHORTAGE

- a The existing League Rules will apply except where detailed below.
- b The following would only apply to teams in Division 5 N, 5 SW & 5 SE who wish to adopt these guidelines.
- c Clubs' who adopt these guidelines will become "Supported Teams" and they will be allowed some doubling up of players and player selection from the team immediately above them or if agreed the team including and below Division 2. It is important that such players are previously identified and should not be used if a team can be raised from the normal playing squad.
- d Players selected from the higher team will be classed as "Bulleled Players" There should be no more than 8 players "Bulleled" in the club's next highest team squad and only 4 of these players will be allowed to double up or play lower down on one day. They should only be used when the lower team is short and must be identified on the team sheet and to the Divisional Rep.

YORKSHIRE HOCKEY ASSOCIATION LEAGUE RULES 2017-2018

- e "Bulleled Players" should be encouraged to play in the positions that are vacated by missing players. It is important that when selecting "Bulleled Players" the current League the higher team is playing in is taken into account. Some clubs have two or three teams in Division 6 and some have only one. Clarification on who can be bulleted can be obtained from The Divisional Rep.
- f The use of "Bulleled Players" is to avoid the selection of the bottom team from a big pool and to restrict the use of players from higher teams who may just be free that week. Obviously injuries, long term illness or long holidays may mean some players could not be used and the "Bulleled players" list can be amended every 4 weeks but only with the agreement of the Divisional Rep. Players deleted from the list will not be allowed back for 4 weeks.
- g Please note that any team that agrees to use "Bulleled Players" will be classed as a "Supported Team" and will not be eligible for promotion that season
- h Teams who wish to become "Supported Teams" must register with the Divisional Rep. for Division 5 SW & 5 SE. The form printed below can be used for this purpose.
- i If teams have 7 players then they should still play the game and, if the opponents agree, can borrow similar standard players from the opposition.
- j Teams that have 6 or less players available and decide not to play the game will be automatically deducted 1 point for failing to fulfil the fixture and the game awarded to the non-offending team. They may be offered the chance to re-arrange the match and the two teams must make every effort to re-arrange the fixture within 2 weeks and play it as soon as possible but within 6 weeks. If this is not done then the Divisional Rep will award the match at their discretion. Please note that if the Divisional Rep feels that there has been lack of effort by the non-offending team to re-arrange they will be able to act accordingly.
- k "Supported Teams" must send in a Register of players identifying which squads they will be playing in and particularly those players that will be "Bulleled".
- l Where a maximum of 2 bulleted players are used then the result will stand. If more than 2 bulleted players used then the game will be awarded to the non-offending team. The original intention was to let the results of matches to stand and be counted in the league. I think this is fine as long as "Supported Teams" do not abuse the principals of team selection being appropriate for the standard of the team.
- m The above guidelines will rely on "Supported Teams" honouring the relaxing of the rules and will mean more work for Divisional Rep but hopefully less cancelled games and more hockey. Please support us in this effort and let's make it work.

Name of Club wishing to register a team as a "Supported Team".....	Supported Team	Date Registered
Revised Registration List to be issued to the League confirming the squads that players will be expected to play in.		Date of issue
Detailed list of players in the bottom teams and those players in higher teams that are "Bulleled" to allow them to play lower down.		Date issued to Divisional Rep

- "Supported Teams" will not be eligible for promotion.
- Match sheets should identify "Bulleled Players" from a higher team.
- Clubs that use these Guidelines to take an unfair advantage will be sanctioned.
- Supported teams must only use "Bulleled Players" when they are short. Where the team has more than 11 regular players then "Bulleled Players" should not be used.
- We would suggest that no more than 13 players should be selected in a "Supported Team" and any substitutes must be "Bulleled Players". If no "Bulleled Players" involved, then normal rules will apply.
